LAUNCH KIT · FACT SHEET · 01 · DIGITAL BANKING PLATFORM

Digital Onboarding

Open accounts in minutes, with human review where it matters.

FOR

Banks · Neobanks · Fintechs

METRIC IT MOVES

Accounts opened per month · cost per onboarding

THE CHALLENGE

Customers expect to open an account from their phone in minutes. Most banks still need branch visits, paper and manual checks, and lose applicants along the way.

WHAT THE KIT INCLUDES

- Document capture and proprietary biometric verification
- Liveness and face match against the ID
- Connection to KYC providers and sanctions lists
- Configurable automatic approval rules
- Review queue for exceptions, with full audit trail
- Account creation in your core in real time

HOW IT WORKS

01 Application

02 Identity & compliance checks

03 Automatic approval or manual review

04 Account created in the core

WHAT YOU GAIN

- ✓ More accounts opened, fewer abandoned applications
- ✓ Lower cost per onboarding
- ✓ Every decision logged and auditable

WHAT YOU NEED TO START

- Account-opening rules and limits
- Access to your core for account creation
- Your KYC and sanctions providers (or ours)
