Merchant Payments

Turn your bank into the payment partner of every store.

FOR

Acquiring banks · Processors · Retail chains

METRIC IT MOVES

Active merchants · processed volume

THE CHALLENGE

Merchants want to accept QR, cards and online payments with one provider and one settlement. Banks without a modern acceptance offer lose those flows and the deposits behind them.

WHAT THE KIT INCLUDES

- Interoperable QR acceptance
- Integration with POS and store checkout systems
- E-commerce and payment links
- Digital merchant onboarding
- Settlement to the merchant's account at your bank
- Reconciliation and merchant reporting

HOW IT WORKS

01 Merchant onboarding

02 Payment at POS, QR or online

03 Processing and routing

04 Settlement to the merchant account

WHAT YOU GAIN

- ✓ New fee income from merchants
- ✓ More deposits from merchant settlement
- ✓ A stronger relationship with business clients

WHAT YOU NEED TO START

- Acquiring or sponsor model defined
- Merchant account product
- Target merchant segments
