Remittances & Mass Payouts

Get money to the right person — at scale, with full traceability.

FOR

Banks · Remittance operators · Public programmes

METRIC IT MOVES

Beneficiaries paid · cost per payment

THE CHALLENGE

Remittances and social payments still rely heavily on cash and queues. Programmes need to reach people quickly, verify who receives the money and prove where it went.

WHAT THE KIT INCLUDES

- Digital beneficiary onboarding with biometrics
- Account or wallet creation per programme model
- Bulk disbursements with eligibility rules defined by the programme
- Cash-out at agent networks
- Exception handling and manual review
- End-to-end traceability and reporting

HOW IT WORKS

01 Beneficiary onboarding

02 Eligibility validated by the programme

03 Disbursement to account or wallet

04 Use or cash-out at agents

WHAT YOU GAIN

- ✓ Faster payments to beneficiaries
- ✓ Lower cost per payment
- ✓ Traceable, auditable programmes

WHAT YOU NEED TO START

- Programme rules and funding source
- Authorised paying entity
- Distribution and cash-out network
